

The Trinity Trends - October 2022

Volume 22 Issue 9

Dear Brothers and Sisters in the Faith,

Wow! What a thrilling day Friday, September 16th was! We brought a couple hundred of our "neighbors" to the first "Growing Young Experiment" - our Ice Cream Social!

1,000 postcard invitations were sent, Facebook ads targeted neighborhood residents and signage plus fliers all came together to create a way-better-than-anticipated influx of participants!

I have never been so proud of our Trinity peeps. Watching you welcome and talk to folks you have never met before, and play games and color and read Bible stories with little ones, just melted my heart. The ice cream we shared *was* pretty tasty too!

As we continue in our "Growing Young" journey, working with our Task Force and Andy Jung as consultant, I cannot wait to see what possibilities will pop up next for us to be adventuresome and courageous in our sharing God's welcome. As you will recall, the focus of our process is to deepen our effectiveness in helping young people discover the love of God and fall in love with our faith community.

Having been enamored of this faith community for many, many years, it is sometimes challenging to me to re-invent the way I engage in ministry. Growing Young is helping me again re-evaluate my perspectives on faith formation for our young people. We have worked toward cross-generational learning experiences — drawing people of all ages together to share the process. Now we will keep regular cross-generational opportunities, and add age-related options as well.

Discovering leadership roles for our young people that they can excel in — like Tanner with the worship streaming and Rylie in singing with the Praise Band — continue to be in the forefront of our exploration. I look forward to having a revised Student Minister position in the near

future, as we value our young people in their roles as worship leaders.

Check out the "Tree of Youth" in the Narthex, created by Rylie Bradley. While we have many more pictures to add, you can select the name of one of our young people to pray for daily, whether they are pictured or yet to be pictured. We also have our Tree of Life children pictured for you to select one of them (and their teacher) for prayers. Use your cell phone to snap the picture of your student, write your name down as prayer partner and that's all there is to it! You can be the advocate for one of these young people God has entrusted to our care, as you make a vital spiritual enhancement to another's faith. Thank you in advance for participating in this part of our Growing Young journey. It is only with your commitment and engagement that we will become more and more the agency for our young people's growth in God's love!

Don't forget to watch the bulletin for opportunities to gather in our Cross-Generation settings, where you can share life and faith "face-to-face" with others. Everyone is welcome *and needed!*

Grace and Peace,

Pastor Bobbie

Vicar's Voice

Greetings TLC family!

As we approach Reformation Day, I'm reminded of a good-natured prank played by two Lutheran students at the university where I used to work. We were all in a group of volunteers that served "grab and go" breakfast items early in the morning to the campus community. On October 31, the young men snuck over to the Catholic church adjacent to our food station and taped a copy of Luther's 95 theses to the front door. They came back laughing and congratulating themselves for finishing the job before anyone arrived for morning mass. At least they used duct tape instead of creating holes in the door with nails.

Lutherans have always known how to be snarky, I guess. Did you know there's a website called the Lutheran Insulter (<https://ergofabulous.org/luther/>) that randomly generates examples of verbal abuse Martin Luther directed at his theological opponents in his writings?

"You are a toad eater and a fawner."

"You are such a coward that you try to catch every word and evaluate it like a man who tries to trap the wind in his coat."

"May God punish you, I say, you shameless, bare-faced liar, devil's mouthpiece, who dares to spit out, before God, before all the angels, before the dear sun, before all the world, your devil's filth." So poetic!

Luther was upset when Pope Leo X authorized the sale of indulgences to raise funds to construct St. Peter's Basilica in Rome. The medieval church taught that people's sins could be wiped away if they "made satisfaction," often by saying prayers or giving alms. However, if they didn't do enough before dying, their souls were trapped in purgatory until purified of every sin – a scary prospect! Indulgences reduced a soul's stint in purgatory, but in 1517 the church started selling them. Now the rich could (supposedly) afford to get their loved ones to heaven faster while the poor were forced to imagine their kin languishing in torment.

Economic injustice is a problem we still face today... some folks live comfortably while others struggle to pay for housing, healthcare, and other basics. Luther urged Christians to resist inequality by faithfully helping each other. "God does not need our good works," he wrote, "but our neighbor does."

Peace to you and happy "Reformation Month"!

Vicar Kerri

Rebecca's Notes

Dear Friends,

At first, Queen Elizabeth II's funeral at Westminster Abbey on September 19 was not on my radar, but I happened to be driving Daniel to the airport early that morning, and NPR was starting their live coverage of the event. I soon became obsessed with it. I looked up the order of service, researched the music leaders and perused the list of music that would be offered by the choir, organ, trumpets and bagpipes.

Though we are physically many miles away from the English people, we are still spiritually connected to the folks who both led and attended the service. We worship the same God and observe many of the same liturgical practices as those who worship at Westminster Abbey. We are connected in this way by a far more sacred thread than that of race, denomination, culture, economic demographic or any other thread we use to differentiate ourselves from other humans around the globe. Though one of the dividing lines in our church's history has been the defining of music as either "traditional" or "contemporary", the traditions of our worship practices connect us spiritually with other believers both along the timeline of human existence and along the physical miles that separate us around the earth. Congregational song, community prayer, Holy Communion, sharing the peace, and hearing God's word read aloud are examples of traditions that strengthen our common identity as people of God.

This article (linked below) is an excellent jumping-off point if you are interested in reading more about the music of Queen Elizabeth II's funeral:

See you in worship!

Update on Julliana and Jamerson!

Jamerson loves Ms. Jamie, his teacher in the One-Year-Old class at Tree of Life. He is starting to be more verbal — you will also notice if you attend the 10:45am worship that he doesn't know a stranger! That big grin — and vibrant run — are such a delight!

Julliana is ensconced back at Manatee Technical College for work toward her GED.

Many thanks to all our drivers: Jodie Lawman, Pat Benson, Paul Schamell, Vicar Kerri, Pastor Bobbie, Susan Hullett, Shirley Grosser and Kathy Scherz.

Since Julliana's home country of Cameroon was recently determined to be an unsafe community, the US has extended TPS (Temporary Protected Status). We will file for TPS for Julliana with our attorney, and also reapply for her work permit.

Julliana is indeed grateful for all the love and compassion our faith community shares with her and Jamerson. Thank you for your love, prayers and donations.

Take-Out Fundraiser Tuesday, October 18th, Drive-thru pick up — 5-6pm

We've missed having our cooking classes with Chef Darrell — but here's the next best way to enjoy an amazing meal prepared just for us!

You can enjoy dinner at home with almost no work (except cleaning up after yourselves) AND help us continue our support of Julliana and Jamerson's journey to US citizenship. But get your orders in early.

Limited to the first 60 people who reply! Suggested donation for each meal is \$20. Order on the Blue Form or by contacting the church office by Thursday, October 13th.

Thank you!

Tree of Life Preschool

Providing Pre-Kindergarten Instruction and Christian Childcare for 6 weeks - 5 years old: 941-747-1756

From TOL Director, Shawna Clark:

Lots of learning is taking place here at TOL since school started in August. We ended September with VPK assessment testing and my-oh-my how proud we are that all 7 students scored high averages. We are proud of Mrs. Kim for her hard work over the summer to give her students a great push to begin the new school year.

In our Three-Year-Old class, the students are learning to trace their name. Miss Hailey is teaching her students each letter that is in their names.

In our Two's class, the students continue working on Shapes and Colors. Also, Mrs. Dana has started potty training a few students.

In our One-Year-Old class, Ms. Jamie is teaching her little friends manners, and their names, and how to share. Some of her students have also learned how to clean up.

Our infant room teacher, Ms. Jessica, is working on building gross motor skills with her students. A few students have learned how to sit up on their own, and a few have started to crawl.

We still have a few openings for new students — including VPK, but they're going quickly. Please contact me for information: 941-747-1756.

Tree of Life FUNDRAISER!

This school activity is to raise funds for much-needed new school supplies. The TOL class with the most orders wins an ice cream party!!! **Orders close October 5th.**

You can support **Jamerson's** class by ordering directly from www.midlandfundraising.com when you use Jamerson's ID 00195198. Or you may select your items in the Narthex when you come to worship!

Beach Worship !! Sunday, October 16th, 6:30pm

Invite family and friends to join us as we worship in one of God's most beautiful spaces! We'll pray, sing, hear a devotional message. Holy Communion will be administered.

Bring your beach chair. Join us steps south of Manatee Public Beach, at the very end of Manatee Avenue. Plan to stay for the wondrous sunset!

SHARING AND CARING

Trinity's Habitat Work Day Saturday, September 24th

Many thanks to our construction team for their hard work and dedication on the home for the Vazquez family: Nadine Cozzette, Rachel Kronmann, Becky and Rod Rodeman, Chaplain Cliff Michaelson, Barbara Shaner and Vicar Kerri True. Thanks also to our refreshment providers: Pat Benson, Rachel Kronmann, Ginger Marcinko and Barbara Shaner.

Thanksgiving Baskets for Parenting Matters, Big Brothers Big Sisters & PACE Center for Girls

Already! It is time to collect food and funds for our annual Thanksgiving Basket projects! This year we will provide 55 food baskets for PACE Girls' families, 25 for Big Brothers Big Sisters' families, and 75 for Parenting Matters.

We delight to share the abundance God has placed in our stewardship! You may bring food contributions to the church by Sunday, October 30th — or if you prefer our ministry team to do the shopping, please donate funds and mark them "Thanksgiving Baskets". Each basket contains: green beans, corn, mac and cheese, cranberry sauce, mashed potatoes, stuffing, gravy and a dessert, as well as a \$15 gift card to purchase a Turkey! Thank you for helping.

Prayer Partners Sought: A Growing Young Activity

In the Narthex there are two bulletin boards with the photos and names of the young people God has entrusted to our care. There is also a place for you to select a young person to sign up and pray for each day.

The Tree of Life board is to your right as you enter the Narthex from outside.

The Trinity Tree of Youth board is on a board to your left, over the bookcases. Thank you to Riley Bradley for creating this tree!

How do you become a prayer partner? What do you do?

- ♦ Select a child or young person
- ♦ Write their name on the chart
- ♦ Write your name in the next column
- ♦ Include that young person's name in your prayers each day, asking for wisdom and growing in body, mind and soul; for their teacher and classmates (TOL); and for them to feel the presence of God's love surrounding and building in their young life an abundance of joy and peace!
- ♦ Attend events at Trinity where our children and young people are highlighted

Thank you for caring for those God has entrusted to our care.

Our fall House Meetings are getting ready to roll out! Please be sure to sign up for one of the times listed below on a Blue Form, or by contacting the church office. If you don't see a House Meeting time that works for you, and you would like to host one to add to the schedule, please call the church office. We will hold as many house meetings as needed to get everyone who wants to be involved on board!

1pm, Wed., Oct. 12th at Pastor Bobbie's Home

7pm, Wed., Oct. 19th at TLC, Host: Vicar Kerri

1:30pm, Wed., Oct. 26th at TLC, Host: Larry Helberg

If you have any questions, please also direct them to Larry Helberg at l_helberg@yahoo.com. or Vicar Kerri at vicar.kerri@gmail.com.

While we have 15 dedicated congregations currently invested in our STREAM ministry, we are also inviting others to come on board. Now that we have successfully completed the one year cycle and understand how the process works, we are better able to communicate the excitement that is created when we see positive change that is influenced by people of faith working together. A big thank you to everyone involved last year — and a pre-emptive thank you to those who will join us!

Praise and Pinch Form

As a congregation, we are committed to voicing our praises and "not sitting on our pinches"! To be a healthy, faithful community, we need to be open with one another about what we expect in all areas of our life together. If there is anything in our community life that brings you joy or causes you to be concerned, please share your feelings and questions. Thank you for taking the time to communicate about the ways we are doing well in our ministry together at Trinity, and the areas that need attention. Please mail this form to the church office.

Mission Endowed Fund

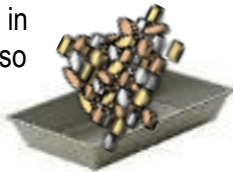

This endowed fund was created to produce income to help Trinity share God's love in a number of various ministries and to address special needs inside and without our faith community.

You can donate to our Mission Endowed Fund any time. These gifts accrue to grow the principal in the fund, and disbursements are made yearly, with a target of 3% annually. Thanks to all who have gifted this fund to make our disbursements possible! Please note "Endowed Fund" on your gift.

Electronic Giving

Wherever you are, you may continue to support our ministries if you have an internet connection! Secure, "paperless" gifts may be made through our website (www.TLCbradenton.com) by clicking on "Donate" on our Giving Page or on the E-Giving logo at the bottom of any page. Thank you!

"Noisy Offering" The last weekend of each month we collect a "noisy offering" of coins and rustling paper to support our neighbors in need who are served by Our Daily Bread. You may also drop off your gifts at the Church Office on Tuesdays or Thursdays or Fridays between 9am and Noon. To be included in our monthly donation to ODB, you may also send a check or add an online contribution through eGiving, from our website. Thank you!

From TLC Health Ministry Team: Exercise to help your bones

Aerobic, weight bearing exercises help improve bone density and strength. Some weight bearing exercises are:

- ♦ walking with or without weights, and
- ♦ resistance exercises.

These activities help increase muscle strength and work to improve balance. Strengthening muscles helps decrease the chances of falling.

Daily exercises to help improve strength and balance:

- ♦ Weight bearing aerobic exercises like taking stairs and walking with weights are good. (Swimming, aerobics, elliptical trainers, and biking do little to improve your bone density and strength – however, they can be helpful as low impact exercises.) The really important factor to build bone mass is weight bearing exercises.
- ♦ Strength or resistance training with weights, exercise bands, using your body weight help to increase muscle strength especially by the spine plus these exercises help to protect bones and work to increase bone mass.
- ♦ Flexibility, stability, and balance exercises that may help prevent falling include: Yoga (now available free at Trinity), Pilates, Tai Chi, stretching, simple exercise of standing on one leg.

When starting a new exercise routine:

- ♦ Check with your doctor.
- ♦ Listen to your body – if you hurt for 2 days after exercises – that can be normal; BUT if the pain is sharp or severe, check with your doctor immediately.
